

LOVELY LADIES OF THE DEL
By Bliss Events & Organic Elements

“Compelling women such as Rita Hayworth, Elisha Babcock and Marilyn Monroe played a part in the rich history of this hotel, so our bridesmaids’ table honors them by being both feminine and striking with a splash of Hollywood glitz. The Chiavari chair mimics an Old Hollywood-style gown with shimmering frills on the back. Glamorous beaded handbags rest on every seat. Each floral display represents one of these women in both stature and style.” **Champagne Ruby:** 1 sugar cube, Angostura bitters, chilled champagne. Soak sugar cube with a couple of good splashes of Angostura bitters and place in the bottom of a large champagne flute. Fill slowly with champagne. Garnish with a lemon twist.
